## Biking For A Cause

On May 30, the Positive Pedalers bike riders and their supporters gathered for a send-off and fundraiser in **Veritas Investments'** **donated lobby space** at Market and Church. Now the riders are pedaling their way on the **AIDSLifeCycle trek** from S.F. to LA through June 8. Here **Lucas Montgomery** and **Tim Wood** of Positive Pedalers chat with Veritas' **Steven Thrower**. The **City of Hope** real estate & construction council's annual Bike to Hope in Petaluma is now set for Oct. 17. Having doubled every year, they expect a sell-out of 150 slots—which is all that host venue **Lagunitas Brewing Co.** can accommodate, says chair **Joe Olla** of Nibbi Bros. Also new: SB Architects is the top dog sponsor.
